RoHS Statement

August 27, 2026

To our valued customers,

As of the date above, Microchip's products have been evaluated against the substances listed in the EU Restriction of Hazardous Substances (RoHS) Directive 2011/65/EU and Directive 2015/863/EU.

Our product evaluation includes engineering analysis, third party testing, and other information or documents provided by the manufacturer or distributor of raw materials or by subcontract assemblers of Microchip's products. Because our evaluation includes reliance on third party information, we cannot verify to a certainty the accuracy of such third-party information.

Below are the substances and limits listed in EU RoHS Directive 2011/65/EU and Directive 2015/863/EU:

Substances	Maximum Limit (ppm)
Cadmium (Cd)	100
Lead (Pb)	1000
Mercury (Hg)	1000
Hexavalent chromium (Cr6+)	1000
Polybrominated biphenyls (PBB)	1000
Polybrominated diphenyl ethers (PBDE)	1000
Bis(2-ethylhexyl) phthalate (DEHP)	1000
Butyl benzyl phthalate (BBP)	1000
Dibutyl phthalate (DBP)	1000
Diisobutyl phthalate (DIBP)	1000

If you would like to find the RoHS status of a specific Microchip part, please use our Product Material Compliance Table. For further information and assistance, please contact your local Microchip Sales Office.

Microchip Technology Incorporated has taken commercially reasonable steps to provide representative and accurate material content information. Microchip relies on information provided by third parties and may not have conducted destructive testing or chemical analysis on incoming materials and chemicals. Supplier information is often protected from disclosure as trade secrets and some information may not have been provided by subcontractor assemblers and raw material suppliers. Microchip does not provide any warranty, express or implied, with respect to the information provided in this declaration. This declaration does not modify Microchip's terms and conditions of sale of its products or the terms of any agreement under which customers purchased Microchip's products. Microchip's terms and conditions of sale or the relevant agreement, as applicable, shall continue to apply.
